

## **BNSF Railway Company Selects LPB Energy Management to Track, Report and Manage its Energy Consumption**

DALLAS, TEXAS, February 8, 2010—LPB Energy Management (LPB) announced today that BNSF Railway Company (BNSF) signed a seven-year contract for comprehensive energy and utility management services. LPB will help BNSF measure, report and reduce energy costs and usage to further support their commitment to energy efficiency and environmental sustainability.

Contracted services include utility invoice processing, verification and payment with advanced reporting through LPB's Utility Manager™ software. Additionally, LPB will provide ENERGY STAR® benchmarking, detailed utility bill audit services and strategic energy procurement where opportunity exists.

"In addition to the efficiencies and cost savings that can be generated by consolidating all energy management services under one company, BNSF has a strong commitment to protecting the environment," said Patrick Harrison, manager of strategic sourcing at BNSF. "This tool will allow us to easily track our consumption while increasing awareness to further reduce our energy costs, usage and carbon emissions."

"BNSF is an outstanding steward for both energy and operational efficiencies and we believe their choice to utilize our full-service offering is fully aligned with their goals and demonstrates their continued commitment to those objectives," said Matthew Berke, president of LPB. "We are extremely excited to have BNSF join our client portfolio of energy management excellence."

About LPB Energy Management: LPB is a full-service energy management firm that helps clients measure, report and reduce energy costs and usage. Utility bill and meter data is centrally captured and then analyzed using LPB's innovative Utility Manager™ software, revealing actionable insight that is at the core of LPB's integrated energy management solution. With offices across the U.S., LPB has helped over 1,000 corporate and government clients reduce energy costs and increase sustainability. LPB has been recognized with ENERGY STAR® Partner of the Year and Sustained Excellence awards, as well as a GSA schedule for Energy Management Program Support.
